Dear Mr Nugent

Constructionline Reference 26987

Thank you for your continued registration with Constructionline, the U.K. Register of pre-qualified construction services.

Please find enclosed your renewed certificate of membership.

The facility to view and update your record online is available via your user name and password. If you do not currently have this information or have forgotten the details please email csd@capita.co.uk.

All authorized Constructionline clients can view your information online and it is therefore important to note that Constructionline accepts updates at any time and not just upon application or review. The timely provision of up to date information enables Constructionline to accurately reflect the capabilities of your business as it develops. This ensures your company is fairly represented in client searches and the production of select lists for potential work opportunities. Please note that registration does not guarantee contracts from Constructionline clients.

Should you require further information or updates on the latest developments to the Constructionline service, this is available via the Constructionline website www.constructionline.co.uk or by contacting the helpline on 0844 892 0313.

I would like to take this opportunity to wish you and your business every success in the forthcoming year.

Yours sincerely

Tracey Murphy
